

“Yeah ... Yeah! ... YEAH!!...”
and so starts our rollercoaster ride of a DVD with
Tony Law. And things just go up from there.

Hear the truth about subjects others are too
afraid to discuss like black bears, Belgians and
the didgeridoo.

He was mentioned in our very first release as
“the most reasonable guy I know” by TV’s
Stewart Lee. See just how reasonable for
yourself in a little over an hour.

**WARNING: This is not a “thinky thinky” show.
This is more of a “thunky thunky whow”.**

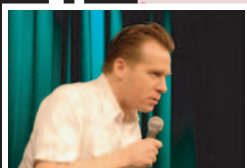

“Hugely entertaining.”
Time Out

“To see Tony Law is to inhale deep breaths of
comedy oxygen.”
