

Roll up one and all and witness  
the wonder and mystery of  
**Tony Law's Brainporium.**

Behold Tony's bits on Pirates, the  
perils of the misappropriation  
of another culture's noise, and of  
course Gok Wan.

The show was recorded on the  
snowiest day of the year in Cardiff.  
So snowy in fact, that Simon Munnery  
spent the day stuck on  
the M40, and didn't make it for  
his recording.

This gave Tony the opportunity to  
perform an unrehearsed and  
unplanned twenty five minute  
long second half.  
Anything could happen!

This DVD also includes a bootleg  
recording of the Edinburgh  
performance this show evolved from,  
and a couple of other treats.
