

"This show was recorded in the midst of a weeklong bout of insomnia. If you hear any poor sentence structure, this is due to part of my brain keeping me awake as some sort of neurological joke. At this point on most DVD packaging there would be some of that "you know Robin Ince best from..." blurb, but as this is mainly sold on the internet, you will only see this sleeve when it arrives in the post. Your first thought as you opened the parcel may have been, but I don't remember ordering anything, then you realise it was a drunk impulse buy. So welcome to my drunk impulse buy."
