

Life Becomes Noises has been hailed as a career defining show for Hughes, taking comedy on to a new level altogether.

From the moment the lights come up, it becomes apparent that this is going to be no ordinary comedy show.

"Knowing exactly when to puncture any incipient melancholy or earnestness with an expertly crafted gag" The Daily Telegraph

"His profusion of jokes plays as an attempt to seize the day, while tenderness, when it comes, hits home. Very funny, very human" The Times

"Each time the emotional honesty threatens to overwhelm, he undercuts it with a change of tone so precise that the lump in your throat swiftly retreats in favour of a relieved laugh... It's a sweet, moving and often very funny show..." The Observer

Sean has been dealing with his father's death in a way that only Sean can. Here is a comedy performance from Sean like you've never seen before. This hilarious yet poignant tale is a beautiful insight into the lighter side of dying and getting older, going to places that comedy rarely goes, highlighting how ridiculous life is and how quickly it can be taken away.

This DVD also features Sean's appearance on Richard Herring's Leicester Square Theatre podcast, where the pair discuss Morrissey, Never Mind the Buzzcocks and more.

"Life Becomes Noises was brilliant" Bruce Dessau
